5. REGISTRATION

The registration takes place by returning the legally binding signed registration form. The exhibitor creates a copy for his records. The fair / exhibition management endeavors to meet the exhibitor's wishes when choosing the stand form, however reserves the right to make changes due to planning - in consultation with the exhibitor. After admission, the exhibitor cannot withdraw from the contract outside of the statutory provisions and the following regulations. If the exhibitor cancels his participation after this point in time or if he declares his resignation or termination of the contract, he has to bear the participation fee for the entire booked stand space and the ancillary costs incurred by the organizer up to this point. Please note the cancellation fees applicable to services:

- up to six days before the start of construction as per point 4: cancellation fees of 50% of the costs for stand construction / services
- from the start of construction in accordance with point 4: cancellation fees in the amount of 100% of the costs for stand construction / services

6. PARTICIPATION PRICES

The stand space price is € 75 / sqm. Please order further services via the Online Service Center (OSC).

7. CO-EXHIBITORS / ADDITIONALLY REPRESENTED COMPANIES

The inclusion of a co-exhibitor / an additionally represented company must be reported in writing within the registration, stating the full address including the contact person.

8. FORCE MAJEURE, PANDEMIC RESTRICTIONS

8.1 Force majeure is an external event that has a massive effect on the contractual relationship, which, based on human understanding and experience, is unpredictable and cannot be prevented or rendered harmless with economically viable means, even with the utmost care, which is reasonably expected in the circumstances. Force majeure entitles the contracting parties to adapt the contract and, if this is unreasonable, to withdraw from the contract. The withdrawal must be declared immediately in writing to the other contracting party, stating all the circumstances that justify the unreasonableness.

8.2 In the event of force majeure, the organizer is also entitled to postpone, shorten, lengthen or restrict the event in whole or in part and to close it temporarily or permanently. In this case, the exhibitor is not entitled to compensation for any damage it incurs as a result.

8.3 The above provisions of Sections 8.1 to 8.2 apply accordingly to contracts (exhibitor registrations) that are signed during the Covid-19 pandemic and for which it is not yet foreseeable which official and legal requirements will apply at the time of the planned event date.

9. DOUBLE-LEVEL EXHIBITION STANDS

In the case of two-storey exhibition stands, a further 50% will be charged for the stand space in addition to the rent.

10. STAND SPACE

The minimum size of a stand is 12 square meters. Smaller areas are only rented out after consultation with the trade fair / exhibition management and if these arise during planning. Existing pillars in the stand area are part of the exhibition stand. The final billing of the stand space prices is based on the measurement by the trade fair / exhibition management. Every square meter or part thereof is charged in full, the stand area is always calculated as a rectangle without taking into account any built-in components, small deviations and the like.

11. DESIGN AND EQUIPMENT

A structural demarcation of the stand area from the neighboring stands is required. Please note that there is floor covering on the stand areas. Stand partition walls are available from the Online Service Center (OSC). The exhibitor is liable for damage that may occur if, after dismantling his stand, he does not ensure the stability of the stand partition walls again. Drawings and sketches of the intended stand construction are to be submitted. Decorative materials used by the exhibitor must be flame-retardant and otherwise comply with police regulations. The exhibitor is liable for any damage to the walls and floors or changes to the rented stand space by himself, his staff and his agents. Any resulting costs will be invoiced separately. The commissioned design companies, if they are not design companies of the own company, must be made known to the fair / exhibition management. If necessary, local companies must be taken into account. Pillars, wall projections, fire extinguishers, partition walls, distribution boxes and other technical equipment are part of the allocated stand space.

12. ASSEMBLY AND DISMANTLING

The exhibitor will receive the access data for the Online Service Center (OSC) in good time, the details of which must be observed. When the exhibitor arrives, it is necessary to register in the office of the trade fair / exhibition management.

The stands of the companies that are not occupied 12 hours before the start of the event or for which there is no indication of a later arrival will be equipped with back and side walls at the expense of the exhibitor on behalf of the fair / exhibition management and in the sense of a representative overall picture decorated, designed or otherwise assigned. In this case, the stand rent is to be paid in full. The organizer is in no way liable for damage caused by a late or non-placing order on the part of the exhibitor (incorrect mandatory entry in the exhibitor directory, incomplete power lines during assembly, etc.). In the event of dismantling before the end of the exhibition on the last day of the fair, the fair / exhibition management is entitled to invoice a contractual penalty of € 500 plus VAT.

13. EXHIBITOR IDENTIFICATION

The exhibitor passes are issued in the office of the fair / exhibition management.

14. PHOTOGRAPHY

The fair / exhibition management is entitled to have drawings, film recordings and photographs of exhibition stands and exhibited objects made by authorized personnel. The exhibitor waives all

objections arising from property and usage rights. Persons other than those commissioned by the trade fair / exhibition management require the express, written approval of the trade fair / exhibition management for recordings of any kind.

15. TECHNICAL EQUIPMENT

Applications for electricity, water, compressed air, telephone etc. can only be considered if the orders are received on time via the Online Service Center (OSC). Sufficient general lighting is provided. However, the exhibitor can have additional electrical cables installed on his own account. The connection point closest to the relevant exhibition stand is used as the basis for calculating these services. Only contractors approved by the trade fair / exhibition management may be entrusted with the installation of the supply lines. The electricity, water and gas consumption within the stand area is at the expense of the exhibitor. The fair / exhibition management assumes no liability for damage resulting from technical faults occurring in the event of fluctuations in performance, power failure or force majeure or the power supply being interrupted by order of the fire brigade, police or municipal utility.

16. TERMS OF PAYMENT

The rental of the stand space (stand rental) and all other fees are net prices, in addition to which the statutory value added tax is shown and has to be paid. If no valid sales tax ID is given for companies from the EU that are not based in Germany, the organizer is obliged to calculate the invoice amount including the statutory sales tax. The exhibitor will receive an invoice for the stand space; for ancillary costs and stand construction packages, the invoice depends on the order date. All invoices are due upon receipt of payment. If the recipient does not meet his payment obligation within 30 days of receiving the invoice, he will be in default even without a reminder. When the default occurs, the fair / exhibition management is entitled to charge default interest at the statutory rate. In the event of persistent delay despite a reminder, the trade fair / exhibition management reserves the right to extraordinarily terminate the contractual relationship with immediate effect.

17. ADVERTISING

Active advertising outside of the rented stand is not permitted. The advertising services offered by the organizer are excluded from this. In the event of non-compliance, the trade fair / exhibition management reserves the right to take appropriate immediate action.

18. ACCIDENT PREVENTION

The exhibitor is obliged to attach protective devices to his exhibited machines, apparatus, devices and other exhibits that comply with the accident prevention regulations of the employers' liability insurance association. For all personal injury or property damage that occurs during or through the operation of exhibited machines, apparatus, systems, etc. The exhibitor is liable. Fire extinguishers and signs indicating them must not be removed from their location, hung up or blocked up, and emergency exits must not be blocked or blocked by exhibition stands or exhibits.

19. CLEANING

The cleaning of the generally accessible event area and the exhibition halls is carried out by the exhibition management. The exhibitor is obliged to clean the stand he has rented. Packaging material and the like may not be stored in the halls.

20. INSURANCE AND SURVEILLANCE

The exhibitor is liable for all personal injury or property damage caused by his operation. The fair / exhibition management assumes no liability for fire damage, burglary and theft, pipe, water and weather damage. The fair / exhibition management therefore urgently recommends taking out exhibition insurance. If the exhibitor requests special, chargeable stand security, this will only be carried out by companies commissioned by the trade fair / exhibition management under the currently applicable conditions. You can find the relevant forms in the OnlineService Center (OSC).

21. GEMA

In the following cases, exhibitors must contact GEMA: when using live music, music from tape, records, cassette, CD or DVD, when showing sound films or videos with music, or when the exhibitor belongs to an AV or TV medium. GEMA, 11506 Berlin, phone 030 58858999.

22. PRIVACY POLICY

As part of the performance of the contract, the personal data you provide will be processed. In this context, they can also be passed on to third parties (service providers) if this is necessary to fulfill the contract. Processing takes place in accordance with Art. 6 Para. 1 lit b) GDPR. Furthermore, your data will be used in the legitimate interest for direct mail in accordance with Art. 6 Para. 1 lit f) GDPR.

23. DOMICILIARY LAW

The trade fair / exhibition management exercises householder's rights on the event site and in the event halls. The instructions of the fair / exhibition management, their employees and stewards must be followed.

24. ACCEPTANCE OF THE EXHIBITION CONDITIONS AND HOUSE RULES

By registering for participation in the event, the exhibitor acknowledges for himself and his representatives accept these "Special Conditions of Participation" and the "House Rules" as binding. In the event of non-compliance, the trade fair / exhibition management shall be entitled to have the faults rectified at the expense of the exhibitor concerned and to close the stand without compensation.

25. PLACE OF PERFORMANCE AND JURISDICTION IS BADEN-BADEN.

German law applies.

26. SEVERABILITY CLAUSE

The possible invalidity of individual terms and conditions above shall not affect the validity of the other "Special Conditions of Participation" and the entire contract. In the event that one of the aforementioned terms and conditions is invalid, the one that comes closest to its meaning and purpose is deemed to be agreed.
